Ret. CPT. Robert Cornicelli
Founder & Executive Director
Veteran Recovery Coalition

Dear Captain Cornicelli:

On behalf of our office, we want to recognize and thank you for the work you and the Veteran Recovery Coalition (VRC) are doing on behalf of our veterans. We have greatly enjoyed meeting with you and learning more about the Veteran Rapid Response Program and the meaningful work your organization is doing across the Lowcountry.

Veterans who are facing difficult circumstances deserve more than a list of phone numbers or disconnected referrals. VRC's commitment to meeting veterans where they are, addressing immediate needs, and staying engaged throughout their recovery reflects a meaningful investment in the people who have served our country. From housing and employment to education, benefits navigation, and long-term stability, your team provides the continuity and accountability that can make a lasting difference in a veteran's life.

We appreciate all that you and your team do for our veterans and our community. Our office looks forward to continuing to work with the Veteran Recovery Coalition and remains available to assist however we can in supporting your mission.

Sincerely,

Nancy Mace
